

## COMMUNITY ANNOUNCEMENTS

### New Companies

#### *Madison County*

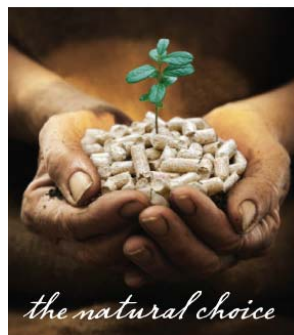

Construction began on the new \$71 million, 60-bed **Madison Hospital**. The hospital is being built to expand to approximately 200 beds and is scheduled to open in 2012. This new hospital will create 500 jobs.

## Community Highlights

### *DeKalb County*

**Lee Energy Solutions** has begun operations in Crossville, with the goal of generating up to 116,000 tons of carbon-neutral energy each year to heat chicken houses. The \$8 million factory includes a pellet dryer that is fired by wood scraps from the pellet-making process. The plant will employ 20 people.

## NOTICE

Beginning January 2010, NAIDA will publish the North Alabama Headlines six times during the year. We would like to thank everyone who contributes to our newsletter as well to all who enjoy it.
